## Academics and Other Agencies

| College of St. Scholastica            | MNS            |
| Iron Range Research Center            | IRR            |
| Itasca Community College              | MIC            |
| Minitex                               | MII            |
| University of Minnesota Duluth Library| MND            |
| Vermilion Community College           | VCC            |
The seven multicounty multitype library systems provide critical links between the academic, public, school and special libraries in the state. Each multitype system responds to the needs of the librarians in its region by providing support services. Key areas in which these systems provide efficient, cost-effective services include: consulting; communications; sharing of resources across all types of libraries; ongoing opportunities for professional and staff development; and assistance with strategic planning.

### Northern Lights Library Network (NLLN)

**Kathy B. Enger, Executive Director**  
P.O. Box 136  
1104 7th Avenue South  
Moorhead, MN 56563  
218-477-2934  
kathy.enger@nlln.org  
nlln.org

### Arrowhead Library System (ALS)

**Jim Weikum, Executive Director**  
**Shari Fisher, Assistant Director**  
5528 Emerald Ave.  
Mountain Iron, MN 55768  
218-741-3841  
218-741-3879 - FAX  
jim.weikum@alslib.info  
shari.fisher@alslib.info

| ACHF (also Legacy) | Arts and Cultural Heritage Fund  
ALS receives a portion of ACHF funding as a Library Legacy grant from the Minnesota Legislature for Library Legacy Programs. |
| ALA          | American Library Association                                                                                                               |
| ALS          | Arrowhead Library System                                                                                                                   |
| ARLAC        | Arrowhead Regional Library Advisory Committee                                                                                              |
| ASCOLD       | Arrowhead System Council of Library Directors (No longer in use)                                                                                 |
| BLUEcloud    | Best Library User Experience – Sirsi-Dynix suite of browser based services, including BookMyne, MobileCirc, Cataloging and several other modules. |
| BLUEcloud Analytics | A cloud-based analysis tool that includes reports and graphics depicting library statistics including data stored on the ILS, the ability to upload data from external sources (gate counts, program attendance, etc.), and the ability to export data quickly in a variety of formats. |
| BLUEcloud PAC | Provides basic public catalog functionality with a modern user interface; including faceted, relevancy ranked search results and patron access to accounts. |
| BookMyne     | Mobile discovery layer for iOS and Android applications to search for items, place holds and provide patrons account access.                |
| Charter City | One of two basic types of cities: statutory cities and home rule charter cities operating under a local charter. Home rule charter cities can exercise any powers in a locally adopted charter as long as it does not conflict with state laws. (From the Handbook of Minnesota Cities)  
For library governance: Library governance complies with the dictates of city charter; if not mentioned in the charter then governance follows Minnesota Statutes 134. |
| CLAS         | Children’s Libraries of the Arrowhead Library System                                                                                         |
| COMPASS      | A generalized term for ALS’s Electronic services, with the ILS being the foundation.                                                        |
| CRPLSA       | Council of Regional Public Library System Administrators  
Consists of the administrators of the 12 public library regions                                                                            |
<p>| E-Rate       | A program provided by the FCC (Federal Communications Commission) that provides discounts to assist public libraries and schools to obtain affordable telecommunications and internet access. |
| ELM          | Electronic Library of Minnesota                                                                                                           |</p>
